## MUSIC TREASURES' GUARANTEE

**MUSIC TREASURES** guarantees each and every product. If you are unhappy with any item we will gladly refund the purchase price, less shipping. Should you wish to return merchandise for refund or replacement, it is very important that you follow the procedures outlined below:

**RETURNS ARE EASY** - Items are sometimes damaged in shipping. If you receive damaged or defective merchandise, contact us right away. We'll rush replacements to you and arrange for pick-up of the damaged items. If you are not happy with an item for any other reason, just call customer service (1-804-730-8800 Ext 26, 9AM-5PM EST, Mon.-Fri.) within 2 weeks of receipt and return the merchandise by the post office or UPS prepaid. We do not give refunds or exchange special order or engraved products, books, records, CDs, audio tapes, candy, engraved awards, harmonicas, or other wind instruments. **Shipping costs are non-refundable.** Returns may be subject to a 15% restocking fee at our discretion. Opened audio/video tapes are nonreturnable. We will not accept unauthorized returns. All products returned must be in resalable condition. Unauthorized returns will be returned to sender.

**SHOP BY PHONE:** Call 1-800-798-8613 between 9AM-5PM, EST, Mon.-Fri. to place a credit card order. We accept MasterCard, Visa and Discover.

**SHOP BY MAIL:** Fill out the easy order form and mail it back to us. Include your check, money order or credit card information. Personal checks may delay your order 10 days. We must have your telephone number for processing. We frequently need clarification on orders. Orders received without a contact phone number will not be processed.

**SHOP BY FAX ANYTIME:** We accept fax orders 7 days a week, 24 hours a day. Fill out the order form just like you were going to mail it (including contact phone number) and fax it to 1-888-MUSICTC. Do not confirm by mail unless marked "Faxed, Do Not Duplicate."

**INTERNET SHOPPING:** We now have an online store which features an expanded merchandise selection than featured in the catalog. The web site is secure and credit card is your only payment option. Service will vary based on your computer hardware and internet options available in your area. Rush orders or special handling requirements should be communicated by phone to our customer service department. See "DELIVERY INFORMATION."

**CUSTOMER SERVICE OR TECHNICAL QUESTIONS:** Please call our Customer Service Department at 1-804-730-8800 Ext. 26 (Monday - Friday, 9:00 a.m. to 5:00 p.m., Eastern Standard Time) and get one of our expert problem solvers to answer your question, correct a mix-

up or make things right. It's never your problem...it's ours. Let us help.

**CORPORATE GIFTS, INCENTIVES AND BULK PURCHASES:** Call Daniel Tuszyński at 1-800-798-8613 Ext 10 to discuss "special prices" for any large quantity purchase requirement. Wholesale/Distributorships available.

**DELIVERY INFORMATION:** We normally ship your order within 72 hours of receipt—if it's not possible to ship within 30 days, we'll notify you with an update on your order so you have the option to cancel. Allow 5-10 working days to actually receive your order unless you request Express Delivery. Next day & 2-day air is the only guaranteed delivery option which must be placed by noon EST and be confirmed in person via phone. Do not place next day air orders via e-mail.

**MAIL PREFERENCE SERVICE:** Our customer list is available to carefully selected companies whose items we feel would be of interest to you. If you do not wish to receive these additional mailings, no longer wish to receive our catalog, or are receiving duplicate catalogs, please cut out your mailing label from the catalog back cover or order form and mail it to our P.O. Box with your preference. Do not call - we need the mail code on the label for changes.

### TERMS:

- We reserve the right to improve design and specifications.
- All prices in this catalog are based on conditions prevailing at the time of printing and are subject to change. Prices are those at time of shipping.
- We will substitute on comparable merchandise when our warehouse is out of stock of an item. Please specify if you do not wish this service.

**BACK ORDERS** - We do not backorder. If your order was shipped short please reorder. Call customer service for availability. Items discontinued will be shown on your packing slip. We will substitute a similar item, unless your order form is checked otherwise.

### CUSTOM PRODUCTS:

We offer a broad range of custom products which can be imprinted with your logo, mascot, band name or favorite saying. Call today to investigate how we can support your special event with special products designed just for you. Custom products require payment with order. Camera ready artwork must be supplied. Order lead time is usually 4-6 weeks after artwork approval. Minimum quantities vary by product. **SPECIAL ORDERS, ENGRAVED or CUSTOM PRODUCTS** cannot be returned.

This symbol alerts you to product that is shipped directly from the manufacturer. These products will be shipped separate and will be charged to your credit card upon release of the order to the manufacturer. Direct shipping may require additional delivery time and express shipment options are not available. Direct ship items are considered separate orders and cannot be combined with other items ordered. Direct ship items are usually made to your order specifications and are not returnable.

Oversize Shipment: Delivery surcharge for furniture and some large items because of the additional cost to ship them. The charge is in parentheses (\$) after the item price.

Introduce reading music in a fun and exciting way! Children learn concepts of music simply by playing the enclosed audio CD and turning the pages. And they fall in love with Freddie the Frog®, making the 14" hand puppet a teacher's most valuable tool in the classroom. The first two books use lines and spaces to represent each part of the story. **Thump in the Night** uses the treble clef. The bass clef comes to life in **Bass Clef Monster**. The audio CDs have dramatized narration and sing-along songs. Separate **flash cards** reinforce pitches learned in the story. Corresponding **Bass Clef and Treble Clef Island Posters**: approx. 10" x 25"; B&W Question side; colorful, illustrated Answer side.

Ages 4-9. 10.5" x 8.5" hardcover books.

## THE MUSIC WHEEL

The Music Wheel is a  
detailed circle of fifths  
showing KEY families of chords - the majors and their  
minors (musically referred to as Chord progressions).  
This chart is a visual display of the 12 major Keys and  
their related minor Keys and Chords in letter names.  
If you play a piano, guitar, mandolin, banjo, or any  
instrument that uses chords, you will be able to see  
each key with its family of major chords and its  
relative minor chords, plus a treble staff displaying  
the scales. This chart will allow you to see the key  
changes and provides you with three major chord  
progressions that you will need for almost any song.

## BOOMWHACKER SETS

### Treble Extension Set **471982 \$15.95**

Set of 7 treble extension BoomWhackers, including chromatic and diatonic notes. This set extends your range - C above middle C that comes with the regular diatonic set (item 200346, available separately), and continues up 7 more chromatic notes. These plastic percussion tubes are played by (gently!) striking almost anything! Different surfaces can produce different sounds, but always the same musical pitch. Includes 7 pitches, starting at high C# (one octave above "middle" C#), C#2, D2, D#2, E2, F2, F#2, G2. Lengths from about 8" to 11"

## ROCKIN' POPPIN' MALLET

Grab your mallets and R.O.C.K. to some pop classics! Easy-to-follow, scripted lesson plans will help you teach the Orff instrument and percussion parts in a flash! For those who want to add guitar and/or piano, there are accompaniment parts provided for those instruments as well. Sing, play and perform fresh, new arrangements of these eight popular hits: Don't Worry Be Happy, Oye Como Va, Limbo Rock, R.O.C.K. in the U.S.A., La Bamba, Rock and Roll Part II (The Hey Song), Somewhere Out There, Footloose.

## MUSICAL TIMBER KITS

**new item**

Turn the crank and these little guys' rock! Plus, they give you plenty of building fun. Made in Wales of straight grain pine, these model kits come with pre-cut pieces that just need to be pegged and glued together. Leave them natural and unfinished, or paint. Once assembled, the musicians come to life with a turn of the crank. Includes glue and sandpaper. For ages 9+. 9" to 10" high.
